Handle Alloy Options

316L Stainless Steel

Brass  
( Clear Coat Finish )

Bronze  
( Only available in 1/2" Diameter )

Our door pulls are manufactured in-house to ensure superior quality, precision, and durability. We offer custom length fabrication to meet specific project requirements, allowing for seamless integration with our cabinets.

FINISH OPTIONS

304 / 316L Stainless Steel - Brushed #4 Finish

304 / 316L Stainless Steel - Exterior Powder Coat

5052 Aluminum - Full Powder Coat\*

\*While aluminum is naturally resistant to corrosion, it can still oxidize over time, especially in humid or outdoor environments. To enhance corrosion resistance, our aluminum cabinets are powder coated inside and out.
